Explosive Ordnance Seminar

11th-13th July 2023 | Baku, Azerbaijan

Sponsors & Exhibitors

SAFELANE
GLOBAL

SENSYS[®]
Magnetometers & Survey Solutions

Confirmed Speakers

- Samir Polodov, Deputy Chairman, Mine Action Agency of the Republic of Azerbaijan (ANAMA)
- Commander Sean Heaton, Commanding Officer, UK EOD Diving and Threat Exploitation Group, Royal Navy
- Mohammad Breikat, National Director, National Committee for Demining and Rehabilitation, Hashemite Kingdom of Jordan
- Muhabbat Ibrahim, Director, Tajikistan Mine Action Centre
- Lieutenant Commander James Oxley, Commanding Officer, Bravo Squadron – UK EOD Supporting the Police and Coast Guard, Royal Navy
- Lieutenant Colonel Damian Piorko, Head, Technology Department, NATO EOD Centre of Excellence
- Lieutenant Colonel Elias Chamata, Chief of the Regional Mine Action Center (RMAC), Lebanon Mine Action Center (LMAC)
- Major Georgios Gkanalas, Commanding Officer, Air Force Material Command EOD Desk, Hellenic Air Force
- Bojan Glamoclija, Director, Serbia Mine Action Centre (SMAC)
- Milovan Joksimovic, Chief, Department for UXO and National Focal Point for Cluster Munition – CCM, Directorate for Emergency Management, Ministry of Interior, Montenegro
- Valentina Atanasovska, Head of International Cooperation Department, Protection and Rescue Directorate, Republic of North Macedonia
- Asa Gilbert, Business Development Manager – International, Safelane Global
- Bert Appleton, Head CEDE, 29 EOD and Search Group, Ministry of Defence, United Kingdom
- Warrant Officer Kevin Wright, Senior Ammo Technician, 29 EOD and Search Group, British Army
- Branislav Jovanovic, Owner, EOKHUB
- Mark Buswell, Strategic Advisor, United Nations Development Programme (UNDP)
- Bishnu Mahat, Sub Regional Weapon Contamination Programme Coordinator for Eurasia – South Caucasus, International Committee of the Red Cross (ICRC)
- Nigel Ellway, Head of Secretariat, All-Party Parliamentary Group, UK and Director REVIVE Campaign
- Giovanni Giustino, HMA GSMD Sales Manager, CEIA

Explosive Ordnance Seminar

11th-13th July 2023 | Baku, Azerbaijan

Conference Day One – Tuesday 11th July 2023

09.00 REGISTRATION AND NETWORKING

09.30 CHAIRMAN'S OPENING REMARKS

Branislav Jovanovic, Owner, EOKHUB

CIVIL EOD AND DEMINING OPERATIONS

09.45 MINE CLEARANCE OPERATIONS ACROSS AZERBAIJAN

- Current minefields across Azerbaijan
 - Clearance challenges
 - Technologies used to clear UXO's in urban areas
 - Case studies and lessons learnt
- Samir Poladov, Deputy Chairman, Mine Action Agency of the Republic of Azerbaijan (ANAMA)

10.15 EFFICIENT USE OF ASSETS FOR OPTIMIZATION OF OPERATIONAL OUTPUT

- SafeLane / Qaya Land Release Principles
 - Use of Mine Detection Dogs (MDD) for Technical Survey and Clearance
 - Integration of MDD and Mechanical Assets
 - Use of MDD in challenging terrain
- Chris Clark, Director Special Projects, Safelane Global

10.45 NETWORKING COFFEE BREAK

11.15 DEMINING ACROSS JORDAN – KEEPING ON TRACK

- Review of demining operations in the Kingdom of Jordan
 - Case studies of recent operations
 - Challenges of financing and importance of cooperation
- Mohammad Breikat, National Director, National Committee for Demining and Rehabilitation, Hashemite Kingdom of Jordan

11.45 EOD OPERATIONS ALONG THE TAJIKISTAN BORDER

- Overview of the minefields in Tajikistan
 - Current technologies used to identify mines and UXOs
 - Case studies and lessons learnt
- Muhabbat Ibrahim, Director, Tajikistan Mine Action Centre

12.15 NETWORKING LUNCH BREAK

13.30 CEIA DETECTION SYSTEMS FOR EMERGENCY RESPONSE AND MULTISENSOR TECHNOLOGY FOR COMPLEX NON CONVENTIONAL TARGETS

- Consistency, effectiveness and easy-of-use in detection for a productive ERW remediation
 - Advanced integrated capabilities for effective detection of complex conventional and unconventional targets;
 - Hand-held and vehicle borne solutions for UXO detection, C-IED and Route Clearance;
 - Mapping and Data Logging in the last generation of detectors
 - Training support and simulant development
- Giovanni Giustino, HMA GSMD Sales Manager, CEIA

14.00 LEBANON EOD OPERATIONS – LESSONS LEARNT FROM BEIRUT PORT EXPLOSION

- Overview of minefields across Lebanon
 - EOD clearance in urban areas – challenges faced
 - NGO support
 - Lessons learnt from the Beirut port explosion
- Lieutenant Colonel Elias Chamata, Chief of the Regional Mine Action Center (RMAC), Lebanon Mine Action Center (LMAC)

14.30 NETWORKING COFFEE BREAK

15.00 PANEL DISCUSSION – BALKANS MINE CLEARANCE PROGRESS AND CROSS-BORDER COOPERATION

Moderated by:

- Branislav Jovanovic, Owner, EOKHUB

Panellists:

- Bojan Glamoclija, Director, Serbia Mine Action Centre (SMAC)
- Valentina Atanasovska, Head of International Cooperation Department, Protection and Rescue Directorate, Republic of North Macedonia
- Milovan Joksimovic, Chief, Department for UXO and National Focal Point for Cluster Munition – CCM, Directorate for Emergency Management, Ministry of Interior, Montenegro

16.00 CHAIRMAN'S CLOSING REMARKS

Branislav Jovanovic, Owner, EOKHUB

ORGANISED BY:

Explosive Ordnance Seminar

11th-13th July 2023 | Baku, Azerbaijan

Conference Day Two – Wednesday 12th July 2023

09.00 REGISTRATION AND NETWORKING

09.30 CHAIRMAN'S OPENING REMARKS

Branislav Jovanovic, Owner, EOKHUB

MILITARY EOD CAPABILITIES

09.40 UK EOD CAPABILITY

- Overview of the UK EOD capabilities
 - Recent operations and lessons learnt
 - Cooperation with allies and civil agencies
- Warrant Officer Kevin Wright, Senior Ammo Technician, 29 EOD and Search Group, British Army

10.10 UK SUPPORT IN AZERBAIJAN AND AROUND THE WORLD

- Current UK Ministry of Defence operations supporting mine action programs
 - Importance of government-to-government cooperation
 - Current capabilities being deployed around the world
- Bert Appleton, Head CEDE, 29 EOD and Search Group, Ministry of Defence, United Kingdom

10.40 NETWORKING COFFEE BREAK

11.10 SUPPORT PROVIDED BY THE NATO EOD CENTRE OF EXCELLENCE

- Overview of the NATO EOD COE mission and training opportunities
 - Latest development in the field of EOD standardization and technologies
 - NATO projects in support of Defence Against Terrorism and near future cooperation activities
- Lieutenant Colonel Damian Piorko, Head, Technology Department, NATO EOD Centre of Excellence

11.40 HELLENIC AIR FORCE EOD CAPABILITIES AND DEVELOPMENTS

- Overview of the EOD resources available to the Hellenic Air Force
 - Case studies of recent operations
 - EOD training and development
 - International cooperation and support
- Major Georgios Gkanalas, Commanding Officer, Air Force Material Command EOD Desk, Hellenic Air Force

12.10 NETWORKING LUNCH BREAK

HUMANITARIAN SUPPORT FOR DEMINING OPERATIONS

13.30 ROLE OF ICRC IN HUMANITARIAN MINE ACTION ACTIVITY

- Current ICRC humanitarian operations in the Caucasus Region
 - Overall objectives of the ICRC in mine action activity
 - Targets and roadmap
- Bishnu Mahat, Sub Regional Weapon Contamination Programme Coordinator for Eurasia – South Caucasus, International Committee of the Red Cross (ICRC)

14.00 IEPF IN HUMANITARIAN MINE ACTION

- History
 - Goals
 - Achievements
 - Targets
 - Projects
 - NTS, EORE and EOD
- Oghuz Mirzayev, Vice President, International Eurasia Press Fund (IEPF)

14.30 REVIVE SUPPORT TO GOVERNMENTS AND NGO'S

- Overview of the REVIVIE Campaign
 - Current support to victims of demining incidents
 - International cooperation
- Nigel Ellway, Head of Secretariat, All-Party Parliamentary Group, UK and Director REVIVE Campaign

15.00 CHAIRMAN'S CLOSING REMARKS

Branislav Jovanovic, Owner, EOKHUB

15.10 NETWORKING COFFEE BREAK

15.30 CLOSE OF CONFERENCE AND EXHIBITION

Explosive Ordnance Seminar

11th-13th July 2023 | Baku, Azerbaijan

Sponsors & Exhibitors

From landmines and sea mines to unexploded ordnance, improvised explosive devices and stockpile destruction, SafeLane Global detects, clears, and mitigates all explosive threats - on land and in the marine environment.

Founded in 1989, it was one of the first private companies in mine action, playing an integral role in the creation of industry policies. Its work is underpinned by quality assurance systems certified by ISO 9001:2015. These are based on International Mine Action Standards and National Standards.

SafeLane has successfully delivered 30,000+ contracts in 60 countries, including some of the world's most hazardous and remote environments. It's provided land release services since inception and has extensive experience in battle area and minefield survey and clearance.

It's currently working in Azerbaijan with Qaya Safety Solutions, a well-established local demining company. Together they're clearing ordnance and landmines in the C0brayil (Jabrayil) district under the coordination of the Azerbaijan National Agency for Mine Action (ANAMA).

Institut Dr. Foerster GmbH & Co. KG: We make the hidden visible - For more than 70 years FOERSTER has been developing, manufacturing and distributing a wide range of products for explosive ordnance detection all over the world. Our innovative and technologically advanced instruments meet the exacting quality standards of our customers in the business of detection.

SENSYS is a manufacturer for Magnetometers, TDEM coil systems and entire survey detection systems. The equipment is typically used for buried UXO detection as handheld devices, borehole devices, push-cart or vehicles towed multi probe systems. Meanwhile, SENSYS survey solutions are optimized and in operation on many remote operated and autonomous vehicles such as aerial drones, unmanned ground vehicles or unmanned surface vehicles on the water as well as AUVs and ROVs.

Especially the drone market is evolving and SENSYS devices are already operating under most challenging conditions for UXO search and exploration in more than 30 countries.

Some of the most prominent products are: SBL10, MXPDA, BM2, MagDrone R4 or the EMD2.

Since 1965 the family-run company VALLON, headquartered in Germany, manufactures state-of-the-art metal detectors, ferrous locators and dual-sensor detectors, that are successfully used worldwide. VALLON GmbH presents their latest hard- and software solutions for detecting land mines, UXO and improvised explosive devices (IED).

CEIA is a world leading manufacturing company specialized in the design, engineering and production of a complete range of Metal Detectors and Electromagnetic Inspection Devices conceived to satisfy every need in the Demining, UXO Detection, C-IED, Security and Industrial Sectors. Thanks to 50 years of in-depth research and experience, combined with the most advanced electronic and mechanical technologies, CEIA has established itself as a primary manufacturer of high-performance Ground Search Metal Detectors and sensors. Throughout the years, CEIA spent also several missions all over the world to assist the operators and provide operation, training and logistic support.

Terms & Conditions

Payments - All bookings made prior to the conference must be paid in full to guarantee registration. Once payment has been received, an email confirmation and a receipted invoice will be sent. If payment is not made at the time of booking, registration will be provisional. Bookings received less than two weeks before the conference date can only be paid by credit card.

Early Bird Rate - In order to qualify for any 'early bird' rates, booking must be received before the deadline date listed in the conference marketing material.

Substitutions & Cancellations - Delegates may nominate an alternative person from their organisation to attend up to 24 hours prior to the start of the event, at no extra charge. Should substitution not be possible, cancellation charges apply as follows: 8 weeks or more prior to start of event: 10% of the delegate fee, 4 to 8 weeks prior to start of event: 50% of the delegate fee, 4 weeks or less prior to start of event: 100% of the delegate fee. All substitutions and cancellations must be received in writing.

Access Requirements - Delegates should advise of any special access requirements at the time of registration. Registration Information - Registration information will be sent to registered delegates by email at least seven days prior to the event. Any delegate not receiving the registration information should contact us by email to events@intelligence-sec.com

Alterations to Programme - Cancellation/Postponement of Event - Intelligence-Sec reserves the right to make alterations to the conference programme, venue and timings.

In the unlikely event of the programme being cancelled by Intelligence-Sec, a full refund will be made. Liability will be limited to the amount of the fee paid by the delegate. In the event of it being found necessary, for whatever reason, that the conference is being postponed or the dates being changed, the organisers shall not be liable for any expenditure, damage or loss incurred by the delegate. If by re-arrangement or postponement the event can take place, the booking between the delegate and the organisers shall remain in force and will be subject to the cancellation schedule in paragraph 3

Speakers - Views expressed by speakers are their own. Intelligence-Sec cannot accept liability for advice given, or views expressed, by any speaker at the conference or in any material provided to delegates.

Photography & Filming - For promotional purposes, there may be a professional photographer and video production taking place during the conference. Delegates who do not wish to be filmed or recorded should advise the organisers by email to events@intelligence-sec.com prior to the event.

Data Protection - By submitting registration details, delegates agree to allow Intelligence-Sec and companies associated with the conference to contact them regarding their services. Delegates who do not wish to receive such communications please email events@intelligence-sec.com. The contact details of registered delegates will be placed on the attendee list which will be passed to sponsoring companies and to all attendees for them to see who is at the conference for the purpose of networking and meetings. Delegates who do not wish to be included on this list should advise at the time of booking.

Websites & Links - The conference and associated Intelligence-Sec websites may link to other websites and networking tools provided for the convenience of the users. The contents of these websites are maintained by their owners, for which Intelligence-Sec takes no responsibility. Neither can responsibility be taken for contents of any website linking to this website.

Insurance - It is the responsibility of the delegate to arrange appropriate insurance cover in connection with their attendance at the conference. Intelligence-Sec cannot be held liable for any loss, liability or damage to personal property. If you have any questions about these Terms & Conditions, please contact - events@intelligence-sec.com
