EVENT SPONSORS AND EXHIBITORS

BlackBerry® AtHoc

Keep People Safe and Operations Running

Organisations depend on BlackBerry AtHoc's closed-loop communication when an event such as a cyber threat, physical security threat, severe weather, or terrorist activity arises. Our customers trust us to help mitigate, ensure business continuity, account for the personnel during and after an event, and meet compliance requirements.

BlackBerry (NYSE: BB; TSX: BB) is a trusted security software and services company that provides enterprises and governments with the technology they need to secure the Internet of Things. Based in Waterloo, Ontario, the company is unwavering in its commitment to safety, cybersecurity and data privacy, and leads in key areas such as artificial intelligence, endpoint security and management, encryption and embedded systems. For more information, visit www.BlackBerry.com and follow @BlackBerry.

ENERGETICS Technology Ltd

Energetics Technology are experts in energetic materials, blast mitigation and protection against explosion.

It is our mission to design, test and manufacture blast mitigation solutions to help protect people and assets against explosive threats. All our products are put through the most rigorous design, manufacture and quality control procedures.
