Explosive Ordnance Seminar

24th – 26th May 2022 | Budva, Montenegro

Platinum Sponsor

Praedium Consulting Malta (PCM) is a specialist company focused on Explosive Remnants of War (ERW) Risk Management (RM), risk analysis, consulting, and project management for clients working across the globe in the energy, construction, and resources sectors. PCM is privately owned and independent, and a global leader in standards.

As such, we are the leading IMAS-compliant and standards-led training organisation, with a permanent, purpose-built training establishment in Peja, western Kosovo, and partner facilities in Montenegro. The ability to conduct live-EO demolitions is of unique appeal to many of our training and R&D clients. Our facilities support both regular core courses as well as tailored courses, running concurrently throughout the year. Our courses are all inclusive.

Our 20+ years track record in training, consulting, and national capacity building is unparalleled, and we are ready to deliver our services anywhere in the world to our clients: We design custom consulting and training solutions every time, to enable clients to meet, manage, and mitigate any ERW threats they may face.

Sponsors & Exhibitors

GEODE (Global EOD Experts), based in Luxembourg, has a proven expertise in Explosive Remnant of War (ERW) and Weapons and Ammunition Management (WAM). We offer consulting, training, and technical assistance services worldwide compliant with international standards (IMAS, IATG, STANAG, MOSAIC) to support States in strengthening their land and maritime capabilities.

We make the hidden visible - For more than 70 years FOERSTER has been developing, manufacturing and distributing a wide range of products for explosive ordnance detection all over the world. Our innovative and technologically advanced instruments meet the exacting quality standards of our customers in the business of detection.

Founded in 2003, the company Millennium Team has grown into a regional leader in its field, developing business activities in our country and the region and since then has achieved continuous growth. Within the „Millennium Team“, there is a sector registered for demining operations. The company “Millennium Team” has 14 systems for deep field surveying, 100 demining detectors up to 0.50 m deep, a demining team of 100 deminers and we have demining machines for remote control marked MV-10 and PT300, which is why it is singled out as a leader in equipment for demining operations in the region.

So far, the Millennium Team has successfully demined the terrain on about 25,000,000.00 m².

Thanks to a large number of successfully implemented projects, Millennium Team has positioned itself as a leading company in the region in both land and underwater demining areas and as a trusted partner.

CEIA is a world leading manufacturing company specialized in the design, engineering and production of a complete range of Metal Detectors and Electromagnetic Inspection Devices conceived to satisfy every need in the Demining, UXO Detection, C-IED, Security and Industrial Sectors. Thanks to 50 years of in-depth research and experience, combined with the most advanced electronic and mechanical technologies, CEIA has established itself as a primary manufacturer of high-performance Ground Search Metal Detectors and sensors. Throughout the years, CEIA spent also several missions all over the world to assist the operators and provide operation, training and logistic support.

Terms & Conditions

Payments - All bookings made prior to the conference must be paid in full to guarantee registration. Once payment has been received, an email confirmation and a receipted invoice will be sent. If payment is not made at the time of booking, registration will be provisional. Bookings received less than two weeks before the conference date can only be paid by credit card.

Early Bird Rate - In order to qualify for any 'early bird' rates, booking must be received before the deadline date listed in the conference marketing material.

Substitutions & Cancellations - Delegates may nominate an alternative person from their organisation to attend up to 24 hours prior to the start of the event, at no extra charge. Should substitution not be possible, cancellation charges apply as follows: 8 weeks or more prior to start of event: 10% of the delegate fee, 4 to 8 weeks prior to start of event: 50% of the delegate fee, 4 weeks or less prior to start of event: 100% of the delegate fee. All substitutions and cancellations must be received in writing.

Access Requirements - Delegates should advise of any special access requirements at the time of registration. Registration Information - Registration information will be sent to registered delegates by email at least seven days prior to the event. Any delegate not receiving the registration information should contact us by email to events@intelligence-sec.com

Alterations to Programme - Cancellation/Postponement of Event - Intelligence-Sec reserves the right to make alterations to the conference programme, venue and timings.

In the unlikely event of the programme being cancelled by Intelligence-Sec, a full refund will be made. Liability will be limited to the amount of the fee paid by the delegate. In the event of it being found necessary, for whatever reason, that the conference is being postponed or the dates being changed, the organisers shall not be liable for any expenditure, damage or loss incurred by the delegate. If by re-arrangement or postponement the event can take place, the booking between the delegate and the organisers shall remain in force and will be subject to the cancellation schedule in paragraph 3

Speakers - Views expressed by speakers are their own. Intelligence-Sec cannot accept liability for advice given, or views expressed, by any speaker at the conference or in any material provided to delegates.

Photography & Filming - For promotional purposes, there may be a professional photographer and video production taking place during the conference. Delegates who do not wish to be filmed or recorded should advise the organisers by email to events@intelligence-sec.com prior to the event.

Data Protection - By submitting registration details, delegates agree to allow Intelligence-Sec and companies associated with the conference to contact them regarding their services. Delegates who do not wish to receive such communications please email events@intelligence-sec.com. The contact details of registered delegates will be placed on the attendee list which will be passed to sponsoring companies and to all attendees for them to see who is at the conference for the purpose of networking and meetings. Delegates who do not wish to be included on this list should advise at the time of booking.

Websites & Links - The conference and associated Intelligence-Sec websites may link to other websites and networking tools provided for the convenience of the users. The contents of these websites are maintained by their owners, for which Intelligence-Sec takes no responsibility. Neither can responsibility be taken for contents of any website linking to this website.

Insurance - It is the responsibility of the delegate to arrange appropriate insurance cover in connection with their attendance at the conference. Intelligence-Sec cannot be held liable for any loss, liability or damage to personal property. If you have any questions about these Terms & Conditions, please contact - events@intelligence-sec.com
